Dear Mrs Manley, - By this time you have probably received a report on my trip to Wash. D.C. after waiting for Col. Johnson I was referred to Mr Roberts.

We stated you had talked to him with Walter White.

I stayed in Wash three nights Tues. Wed. Thurs. I had a plane ticket to leave Thursday but the weather was very bad.

Some times I think our league is run by spur of moment ideas.

For example the talk of sending Botts to Pompy to Wash D.C. to conduct business

for the Negro National League.  
I doubt if the O. D. T. would have discussed  
any situation with them in view of  
criticism they are receiving from white clubs  
for allowing us to use Bus when no white  
clubs in N. L. are using them.

My expense is \$20 and it is to me, not  
because I am in such a hurry, but I am  
getting tired of doing necessary work and  
I am getting paid for it.

I also have an expense for attending  
white N. L. meeting to get right baseball  
in National League parks. I am trying to  
make N. A. L. pay half of this. Just trying.  
Yours  
C. W. Posey
